Charity Golf Tournament Wildly Successful

The Signature / CABA Charity Golf Tournament was a huge success this year thanks to our sponsors and a course packed full with 144 golfers!

In addition to raising money for the CABA Scholarship Fund and the Centennial Airport Foundation, the proceeds raised also enabled a contribution of \$2,000 to the Humane Society of the Pikes Peak Region for their animal rescue efforts following the Black Forest Fire.

Below, Tournament Chairman Craig Teasdale, CABA Vice Chair MacKenzie Kelly, and CABA Chairman Barry Stidham present the check to Marsha Wayman, HSPPR Grants and Corporate Relations Manager.

Mission Statement

The mission of the Colorado Aviation Business Association is to promote the value of business and general aviation across the state of Colorado.

Founded in 1994, CABA acts to collectively address and respond to issues impacting Colorado Airports including safety and operational effectiveness; to educate the general public about all aviation activities in the state; to preserve the state's airport related businesses as valuable economic assets to the community at large; and to provide for the training of future aviation professionals through its scholarship fund.

Board of Trustees

COO of TAC Air, Robert Olislagers - Executive Director of Centennial Airport, and Ed Bolen - President and CEO of NBAA.

Barry Stidham
(Chairman)

All agreed that a unified voice in support of general and business aviation is critical to the industry and the state. Mr. Bolen commented that CABA is one of very few groups nationwide able to accomplish so much on behalf of the aviation industry at the local level.

Many new membership contacts were made at the event, and we look forward to our numbers growing again soon! There was also a great deal of interest in CABA from the Colorado Springs area, and we anticipate working together to begin a CABA Region Group in that area. *Stay tuned!*
