Welcome Home! to our new CDOT Aeronautics Director!

We wish to extend a sincere and hearty welcome to Dave Ulane, who assumes his position on July 1 as the new Director of the Colorado Department of Transportation Aeronautics Division.

A Denver native and graduate of Metro State University of Denver, Dave's career spans 25 years at various airports and most recently, as the Northwest Regional Manager for the Aircraft Owners and Pilots Association.

We look forward to continuing our close and productive relationship with Dave and the rest of the Division.

CALL to ACTION!

**OPPOSE ATC
PRIVATIZATION
AND USER FEES**

Your help is needed!

The FAA reauthorization bill introduced by US Rep Bill Shuster (R-9-PA) calls for privatization of the air traffic control system, funded by user fees. The potential devastating consequences of such a bill on business and general aviation cannot be overstated.

Mission Statement

The mission of the Colorado Aviation Business Association is to promote the value of business and general aviation across the state of Colorado.

Founded in 1994, CABA acts to collectively address and respond to issues impacting Colorado Airports including safety and operational effectiveness; to educate the general public about all aviation activities in the state; to preserve the state's airport related businesses as valuable economic assets to the community at large; and to provide for the training of future aviation professionals through its scholarship fund.
