Colorado Aviation Business Association (CABA) Hosting 2nd Annual Fall Training Event; Awarding Scholarships

Denver, CO – Sept 5, 2012 – The Colorado Aviation Business Association (CABA) announces their annual training event, scheduled for Friday, October 5, 2012 from 7:30 AM – 5:30 PM at the *Wings Over the Rockies Air and Space Museum* in Denver, CO.

The event, co-hosted by Metropolitan State University of Denver's Department of Aviation and Aerospace Science, is offering training opportunities in SMS, iPad use in the cockpit, and mountain flying among other topics. The event includes presentations by several notable speakers such as Astronaut, Joe Tanner; AOPA's Janet Bressel; Amelia Earhart of Denver 9News; and representatives from the Federal Aviation Administration (FAA). Interested participants are urged to register early as space is limited.

CABA will award several scholarships at the event, estimated to be worth over \$22,000. Among the scholarships being awarded is a Citation 500 series initial type rating, donated by CAE SimuFlite. Interested scholarship applicants have until September 15, 2012 to apply for all CABA Scholarships.

For more information on the training event and to apply for scholarships, visit www.mycaba.org

Note to Editors:

Founded in 1994, the mission of the Colorado Aviation Business Association (CABA) is to foster and promote aviation and related business throughout Colorado; to collectively address and respond to issues impacting Colorado Airports, including safety and operational effectiveness; to educate the general public about all aviation activities in the state, and to preserve the state's airport related businesses as valuable economic assets to the community at large.
