Denver TRACON  
26705 East 68th Ave, Room 109  
Denver, CO 80249-6361

Issued: 12/22/2017 1556 (UTC) Denver TRACON

Effective: 12/26/2017 1200 (UTC)  
Letter to Airmen: LTA-D01-4

Subject: Denver ARTCC and TRACON Routing

Cancellation: 12/25/2018 1200 (UTC)

On November 17, 2017, a new Letter of Agreement (LOA) between Denver ARTCC (Center) and Denver TRACON (Approach/Departure Control) was put into effect. The LOA, among other things, modifies the way Denver Center delivers some aircraft to Denver TRACON airspace.

The images on the following pages provide routing and altitude assignments that can be expected to each of the airports within Denver TRACON airspace, from each of the four arrival gates. The tables include a column titled "Aircraft Group"; these groups are defined as follows:

Group A – Jet Aircraft

Group B – Aircraft other than jets with filed true airspeed (TAS) of more than 210 knots

Group C – Aircraft with a filed TAS of 210 knots or less

Questions may be directed to the Support Manager for Airspace and Procedures at Denver TRACON, Stephen B. Martin, 303-342-1584, or by emailing [9-den-tracon-airspace-special-request@faa.gov](mailto:9-den-tracon-airspace-special-request@faa.gov) (mailto:9-den-tracon-airspace-special-request@faa.gov).

Stephen B. Martin, Acting  
*Air Traffic Manager, Denver TRACON*
